

EXTERNAL POSTING

March 5, 2003

POSITION TITLE: Manufacturing Extension Agent (Weatherford area),
The Oklahoma Alliance for Manufacturing Excellence, Inc.

THE POSITION: Serve southwest Oklahoma's small and medium-sized manufacturers and act as their agent to bring in resources needed to help them become more competitive. Position requires some travel and a varied work schedule, to include some evenings/weekends.

QUALIFICATIONS: Degree in engineering, industrial technology, business administration or related area desired; significant private sector experience in a manufacturing environment, preferably with a small firm; experience in developing and implementing a long-term strategy for modernization desired; strong written and verbal communication skills, and good written computer skills required; ability to work effectively one-on-one or in small/large groups; self-motivated and able to manage multiple assignments simultaneously. Preferential consideration will be given to candidate familiar with manufacturing in southwest Oklahoma.

**ANTICIPATED
STARTING DATE:** As soon as possible after review date.

SALARY: Commensurate with existing salary structure.

**DEADLINE
DATE:** Review of applications will begin immediately and continue until position filled.

**APPLICATION
PROCEDURE:** Submit letter of application, resume, unofficial transcripts, and three letters of reference with names, addresses, and phone numbers to: Human Resources, SWOSU, 100 Campus Drive, Weatherford, OK 73096. Visit www.swosu.edu for additional information.

This position is contingent on continued grant funding for the project.

For additional information, please contact Dr. Marvin Hankins, Director, Center for Economic and Business Development at (580) 774-3750 or by email at hankinsm@swosu.edu.

Southwestern Oklahoma State University is an AA/EEO employer and encourages applications from minorities and women.
